

BEERS

Our Beers are made through the tradition of Reinheitsgebot - the Purity Law of 1516 - where only water, malt and hops are used to produce beer. With only these natural ingredients and without any additives or chemicals, you can be assured you are drinking excellence in a glass.

Hefeweiss 4.8% - pale, spicy yet fruity, lightly hopped with hints of clove, vanilla and banana.

Pilsner 5% - balanced, crisp, with a refreshing hop character under ridden by accents of malt.

Dunkel 4.4% - nutty, toasty and chocolate tones with a rich malt flavour.

Altbier 4.8% - sturdy, yet clean and crisp with malt characters.

Seasonals - ask our friendly staff for the brewer's seasonals drop. (Prices may vary)
